

McStas DMSC Wiki

== Welcome to the ESS DMSC McStas-wiki! ==

On the pages below you can find documentation about using <http://mcstas.org> McStas in an <http://www.europeanspallationsource.se> ESS context as either

- [\[User of McStas\]](#) (i.e. instrument scientist, writing instrument files etc.)
- [\[Developer of McStas\]](#) (writing component codes etc.)
- [\[Using MCPL as source term in McStas\]](#)
